### Assessment Task: Leadership and management

#### Leadership and management (Individual activity)

Read the statements below and complete the activity.

Management is all about achieving goals. A manager gets the job done.

Leadership is about inspiring people to become great achievers. A leader inspires people to give of their best.

Identify whether the following statements were made by a leader or a manager. [6 marks]

- a) People follow me because I don't put pressure on them, but inspire them.
- b) I want the job done correctly.
- c) The people I work with know more than I do about the job, but I bring it all together.
- d) I am interested in the job, not the person doing it.
- e) It gives me great pleasure to know that a work process flows as it should.
- f) It gives me great pleasure to know that the people at work are inspired and motivated.
