### Assessment Task: Rights and Responsibilities of Producers

#### The rights and responsibilities of producers (Group activity)

a) Discuss the role of producers in the economy. Write down a definition of producers as well as an explanation of the role they play in the economy.

b) Brainstorm the rights and responsibilities of producers. Copy the table below in your workbook and write down three rights and three responsibilities. One example has been filled in to assist you. Assess the performance of your group.

Rights of producers	Responsibilities of producers
To be paid for their product	To charge fair prices and not to exploit consumers
