

Grade 9 Life Orientation Worksheet

Rehabilitation from substance abuse

Brainstorm the different options for rehabilitation from substance abuse. Create a concept map to show the results of the activity. (Group activity)

Work in groups of 4 to 6 learners per group for this activity.

1. Brainstorm the following issues:
 - What options are available for drug rehabilitation in South Africa?
 - Rehabilitation centres.
 - Benefits of counseling.
 - What role do family and friends play in supporting drug rehabilitation?
 - What role does the addict play in his/her own rehabilitation?

2. Present the conclusions of your brainstorming activity in the form of a concept map.

Your teacher will assess your participation in the brainstorming activity and concept map illustration using the following checklist.
