

Grade 8 Life Orientation Worksheet

Relationships - Simulation

Divide into groups of 2 learners per group. Simulate different ways of **starting** a friendship.

You will demonstrate to the rest of your class, who will take notes.

When everybody has had a turn, you will have a class discussion about the simulation activities you saw.

Your teacher will assess your participation using this checklist.

Simulation assessment		
Name:	Date:	
Criteria: Does the student:	Yes	No
1. Show understanding of the situation to be simulated?		
2. Engage fully in the simulated situation, taking the role seriously and reacting to the situation as if it were real?		
3. Speak clearly, varying voice volume to suit the role where required?		
4. Use body language suitable for the role?		
5. Use facial expressions suitable for the role?		
6. Use language that fits the role?		
7. Understand the emotions s/he is simulating?		
8. Appear to really be feeling these emotions?		
9. Simulate a situation that pertains to starting a friendship?		
10. Choose a real-life type of situation?		
2 marks per 'yes' answer. Total marks available: 20
