11. APPOINTMENT OF NON-RSA CITIZENS IN THE PUBLIC SERVICE

STATUS OF PERMANENT RESIDENCY

The South African green bar-coded identity book / smart card will merely indicate that a foreigner is a non-South African citizen and therefore the Gauteng Department of Education will need to see Permanent Resident Permit information, together with the green bar-coded identity book to prove that the respective permits were indeed issued to the foreigner.

“Permanent residence,” as set out in Section 26 and 27 of the Immigration Act and Regulations 22 and 23 of the Immigration Regulations, respectively, will allow the holder to become a naturalised citizen in accordance with a well prepared South African citizenship application under the South African Citizenship Act and such status attaches many privileges and benefits over long term residency.

After verification that the two documents (green bar-coded ID/smartcard & Permanent residency permit) belong to the employee, he or she will be treated the same way as any other South African citizen.
