

2025 GRAPHIC DESIGN TRAINING PROGRAMME

The Innovation Hub Management Company SOC (Ltd) and ERGO (Pty) Ltd are offering training opportunities to unemployed youth interested in learning and improving graphic design skills.

WHAT DOES THE PROGRAMME ENTAIL?

- Technical training (how to use Adobe Photoshop or Web design)
- Critical thinking skills
- Problem solving skills
- Creative ideation
- Research methodology skills
- Support during training
- Mentorship and coaching

WHAT WILL I BENEFIT FROM THE PROGRAMME?

- Gain invaluable knowledge and skills
- Become more employable or start your own company
- Personal growth (learning to become a Graphic Designer)

WHAT ARE THE REQUIREMENTS

- Applicants must have the following qualifications: Relevant matric qualification in Arts and/or Graphic Design; TVET qualification (N4-N6: IT/Computer Science).
- South African citizen between the ages of 18 and 34.
- No prior internship experience.
- **Priority will be given to candidates from ERGO host communities in the following areas:** Ekurhuleni Southern and Eastern Areas, City of Johannesburg Region B, C, and D

PROGRAM DETAILS AND SUPPORT

The program will be held at the Diepkloof and Duduza Kasi Labs. All program-related costs will be fully covered under ERGO's Social and Labour Plan LED Programme.
